

COVID - 19 GUIDELINES

The Covid-19 Facility Plan has been designed to allow for maximum social/physical distancing while attending training sessions at Portland Sports Complex, Seacoast United and Saint Joseph's College. Foot traffic will flow in one-way patterns as much as possible. Fields will have separate check-in areas in an effort to keep players in small groups and assist with contact tracing if necessary. While waiting for training sessions to begin, or for family to pick up, players are asked to follow social distancing guidelines within the designated areas. Playing areas/field surfaces are designated for coaches and players only.
